## Property Crime Statistics

Two interactive maps are available to viewers on the Winnipeg Police Service website. The Crime Map features a rolling 12 month total, with a three month data lag to ensure accurate reporting. The Calls For Service Map shows activity within the past 10 weeks. You can access statistics for any Winnipeg community on the website. Results are only accurate if residents report the occurrence, so please continue to report any crimes that occur. Anecdotal comments from neighbours suggest that property crimes have been increasing over the last 2 years in Earl Grey, but not so much in Ebby Wentworth.

## Back Lane Property Numbers

The EGNSA is pleased to provide interested residents with free peel and stick property numbers to be used to identify your property from the back lane. Having your address visible from the back lane is important to allow first responders to identify your property in case of an emergency. We provide these free of charge and will deliver the numbers to your mailbox. Please contact us to receive your numbers!

## Block Parent® Program

The Block Parent® Program is a volunteer-based child safety and crime prevention program that operates across Canada. The program provides a network of police-screened, easily recognizable, safe places for children in the community. Participants have signs on their homes indicating that they are members. More Block Parents are needed in our neighbourhood. If you are interested in becoming a Block Parent, please send an email to [bppw@mts.net](mailto:bppw@mts.net) or call (204) 284-7562 for application information.

### Mission Statement

Our mission is to promote neighbourhood safety and maintain crime prevention programs for the betterment of our community. We encourage resident participation and cooperation with the Winnipeg Police Service as the primary means of reducing neighbourhood crime.

Contact us for the little things at (204) 477-1513 or [egnsa@mts.net](mailto:egnsa@mts.net)

For the bigger things, call the Winnipeg Police non-emergency line at (204) 986-6222

## Get Involved!

We are looking for new members to join the EGNSA! If you are interested in neighbourhood safety and want to help make the community a better place, send us an email at [egnsa@mts.net](mailto:egnsa@mts.net) to receive an invite to our next meeting or event. We meet four times a year and organize tree banding, safety audits, and other activities. New members are always welcomed!

---

## Tree Banding Removal

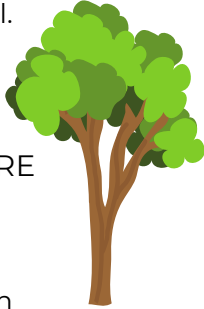

The tree bands that were put up in September must be removed in May of each year. Our EGNSA volunteers have recently been removing our bands. If you notice some tree bands still up in June, please contact the EGNSA by email at [egnsa@mts.net](mailto:egnsa@mts.net) or by phone at (204) 477-1513. That would be appreciated. Please note that Tree Band Aid, Schmidt Tree Service, and other providers will do their own removal.

## Seniors Cards

EARL GREY COMMUNITY CENTRE  
EVERYONE WELCOME

**Whist:** Monday from 1 to 3:30 PM.  
Cost is \$2.00 per person. Small cash prizes are given out. No whist activity during July and August.

**Bridge:** Wednesday from 1 to 4 PM.  
Cost is 50 cents per person. Bridge activity is all year long. More information? Call (204) 452-7024

## September Tree Banding

Tree banding for cankerworm control is one way residents can help preserve our boulevard trees. It is best if the entire block is banded or else cankerworms can bridge between treetops and infect adjacent trees. The EGNSA is continuing our tree banding service this year. The cost is \$10 per property to band all of the boulevard trees on a block. For an additional fee, we will also band trees on your private property.

We will be working with our block organizers to determine interest on blocks throughout the neighbourhood. Block organizers poll residents on their block and collect the fees. We are always looking for more block organizers!

If you would like to get involved or are interested in having trees on your block banded, please reach out to Raymond Katchanoski by phone at (431) 336-4565 or by email to [r.p.katchanoski@gmail.com](mailto:r.p.katchanoski@gmail.com).

Family Fun Night is on June 20, 2025 at the Earl Grey Community Centre!

### Shredding

The EGNSA is pleased to once again be sponsoring free document shredding at Family Fun Night from 5:00 to 7:00 PM. We are very grateful to Access Shredding for providing this service on site. Clean out your desk and bring any documents that need shredding!

### Household Hazardous Waste and Electronic Collection

We will be doing a free collection of household hazardous waste and electronic waste at Family Fun Night from 5:00 to 8:00 PM. All items will be properly disposed of at the 4R Winnipeg Depot.

Household hazardous wastes must be in their original container.

Accepted products include batteries, cleaning products, chemicals, herbicides/pesticides, paint, aerosols, fluorescent lights, empty propane tanks, motor oil, antifreeze, oil filters, and oil containers, televisions, computers, audio and video equipment, phones, and microwaves will also be accepted.

### Bake Sale

The EGNSA is excited to once again have our bake sale set up at Family Fun Night! Make sure to stop by our booth for some delicious treats and to learn more about getting involved with our group!
